Dear Librarian:

I'm sorry to have missed you last week at the MLA conference, but wanted to be sure that you received the enclosed information about this new organization, and to invite you to our premiere program. On June 1, 2006 MILEX-Maryland Information Literacy Exchange, a collaborative of Maryland higher education librarians, will host a Meet & Greet program at Towson University. The morning program will feature -

- A chance to meet **MILEX** members and, hopefully, to join us
- A demonstration of Macromedia Captivate software  
(used to create simulations and demonstrations for instruction/training)
- A discussion and demonstration of the University of Maryland University College's online instruction module for Information Literacy.

Please join us on Thursday June 1, 2006 at Towson University's Cook Library. You may arrive as early as 9:00am to meet **MILEX** members over a continental breakfast. The actual program begins at 10:00 and runs until noon.

RSVP to Sara Nixon at [sara@towson.edu](mailto:sara@towson.edu) or 410.704.6075.

Sincerely,

Sarah E. Crest MLS

**MILEX** Chair
