Announcements

Brandy Whitlock advertised the research survey

Presentation:

Development of Student Competencies + SLOs for LI Programs by Jill Burke and Anne Sleeman

<https://libraryguides.ccbcmd.edu/infolit/7Competencies> -- Research guide made on the competencies with the student outcomes

Spring Conference Committee:

The April meeting will discuss more on how to assess learning outcomes, esp. for online learning materials in the Spring Conference.

Please put your name in the chat to work at the Spring Conference: Jessame Ferguson

Full Treasurer's report expected at the June 2022 meeting

Any corrections to the minutes from July, not too formal, so just let us know

MILEX Research Project:

Again, please complete the Milex Research project survey if you have not already:
<https://tinyurl.com/MILEXSharedResearchProject>

Coffee Breaks:

Coffee Breaks continuing this spring, have times both Thursday and Friday, 10 AM ish, days will alternate

Fall Workshop recap from Alex Baker

- All about testing tools for online info literacy and information on uses
 - Lots of great feedback from attendees, even if they had seen the tool before they found the workshop helpful for showing different uses and allowing interaction with the tools
 - Interest in using the tools shared going forward

Announcements:

Alex got a promotion, Jill and other folks in CCBC have a chapter in a book coming out, as does Brandy. Congratulations to everyone!

Upcoming Events:

- April's Spring Conference
- Meeting in June/July
- Coffee break information will go out soon

Thanks to Anne and Jill for their presentations
